MEN'S SPRING-SUMMER 25 LOOKBOOK

SUMMER ESCAPE

MEN'S READY-TO-WEAR COLLECTION SPRING-SUMMER 2025

Discover the essence of the **DEELUXE** men's Spring-Summer 2025 collection, a journey where each model embodies a summer symphony of comfort and refinement.

OCEAN ESCAPE

Days by the sea take on a casual-chic style: pastel colors like lagoon, soft peach and eucalyptus create a soft, balanced palette, perfect for a casual yet sophisticated look.

SUNSET EVENING

Black and cobalt combine elegantly with flamingo pink, while geometric and floral patterns add a chic, contemporary touch for unforgettable twilight moments.

JUNGLE EVASION

Ideal for wilderness getaways as well as everyday urban wear, these casual, functional pieces are dressed in earthy, vegetal and grassy tones. Palm motifs complete this bohemian-chic aesthetic, designed for outdoor vacations.

A veritable sensory voyage where each piece is a promise of sunshine and freedom, the **DEELUXE** men's Spring-Summer 2025 collection features noble, wearable materials such as cotton, linen and terrycloth. These carefully selected fibers offer optimal comfort and an airy look, ideal for sunny days.

An invitation to summer softness, where the azure blue of the sky blends with the beige of warm sand.
